CALL FOR PROPOSALS FOR THE SECOND PHASE OF THE YOUTH CLIMATE ACTION FUND.

Are you a youth in Masaka City aged 15-24 years, Masaka City in partnership with Bloomberg Philanthropies is looking for a variety of ambitious, innovative youth led climate projects to be implemented in the City.

Youth who are passionate about climate change mitigation and environment conservation efforts should form youth groups duly registered by Masaka City Council comprising of at least eight (8) members and stand a chance to apply and win a grant. Groups that were not selected for phase one funding are encouraged to re-apply.

Fill the application form below to apply for grants ranging between 1000 to 5000 USD to implement your project. Individual applicants and youth outside of Masaka City are ineligible.

To promote a diverse range of project ideas, the following projects which were successfully implemented in Round One funding have been discontinued for Round two; Tree planting and Charcoal briquettes production. Applicants with Science and Technology informed projects are highly encouraged.

Deliver and register your applications to the Office of the Mayor. For more details, contact the City Environment Officer 0753 310 966, Maria 0757564654 and the Office of the Mayor (mayormasaka@gmail.com)

Successful applicants will be announced on 22nd APRIL 2025. **APPLY NOW.**
